

The *Catch-A-Dream* Foundation “Friends and Families Cookbook Volume III”

Our ***Friends and Families Volumes I and II*** were such successes that we have compiled a capstone third Volume. This beautiful, 3-Ring Binder edition contains ALL of the recipes from Volumes I and II PLUS over 250 NEW recipes (almost 700 recipes in total) from friends of *Catch-A-Dream*, including many children and their families whom we have served, outfitters and volunteers.

We have opportunity to share camp with many children and families from across North America, and the table is a common place of fellowship and relationship building. It seems appropriate to share favorite recipes, both of wild game and fish and traditional table fare, with each other through this special volume. The cookbook contains contributions from *Catch-A-Dream* children and their families, from

outfitters and writers, from volunteers who give of their personal time to perpetuate “The Vision,” from sponsors and other friends of our mission, from our office staff and from several members of our Board of Directors. The diversity of our contributors is evidence of the national prominence and integrity of the *Catch-A-Dream* program and Foundation.

These are available for a **donation of \$18** to the Foundation, and will make **great gifts for Christmas or any other special occasion**. All proceeds go directly to the *Catch-A-Dream* Foundation to help perpetuate “The Vision.” **To receive your cookbook before Christmas, orders must be received by December 10th.**
