INDEPENDENT AUDITORS' REPORT

Board of Directors
Catch-A-Dream Foundation, Inc.
Mississippi State, Mississippi

We have audited the accompanying financial statements of Catch-A-Dream Foundation, Inc., which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities and changes in net assets, and cash flows, for the years then ended, and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Catch-A-Dream Foundation, Inc., as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of functional expenses on pages 7 and 8 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014 AND 2013

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**1. Nature of Activities**

Catch-A-Dream Foundation, Inc., (the Foundation) is a not-for-profit organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. As of January 1, 2013, the Foundation became independent of the Mississippi State University Extension Service. The singular mission of the Foundation is to grant once-in-a-lifetime outdoor experiences to children 18 years old or younger who have a life-threatening illness.

2. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Net assets and revenues and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted Net Assets

Net assets that are not subject to donor imposed stipulations.

Temporarily Restricted Net Assets

Net assets subject to donor imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions.

3. Related Party Transactions

The accompanying financial statements include the receipts and disbursements made through the bank accounts of Catch-A-Dream Foundation, Inc. Also included are certain receipts and disbursements made on behalf of Catch-A-Dream Foundation, Inc., through the accounts of Mississippi State University (the University).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014 AND 2013

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**3. Related Party Transactions** (Continued)

As of January 1, 2013, the Foundation is independent of the University and has relocated to a facility off campus. Additionally, all members of the staff have left University employment and have assumed appointments as employees of the Foundation. The University continued to provide information technology support to the Foundation through June 30, 2013, through a grant in the amount of \$3,866.

4. Donated Property, Facilities, Auction Items, and Donated Services

Contributions of assets other than cash are recorded at their estimated fair value. Contributions of services are recognized if the services received (1) create or enhance nonfinancial assets or (2) require specialized skills or are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. The Foundation received services, facilities, property and various items that are included in the accompanying statements of activities and changes in net assets at an estimated fair market value of \$205,831 and \$260,290 during 2014 and 2013, respectively, which met the previously discussed criteria.

5. Cash and Cash Equivalents

For purposes of the statements of cash flows, the Foundation considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

6. Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increase those net asset classes. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions.

7. Description of Program and Supporting Services

The following program and supporting services are included in the accompanying financial statements:

Program

Activities performed by the Foundation, which grants dreams to children with life-threatening medical conditions.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014 AND 2013

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**7. Description of Program and Supporting Services** (Continued)*Management and General*

Includes all costs not specifically identifiable with dream granting or fund-raising activities, but indispensable to the conduct of the Foundation's mission. These include expenses for the overall direction of the organization, business management, general recordkeeping, and activities relating to these functions such as salaries, supplies, equipment and other general overhead. Expenses that benefit more than one function of the Foundation are allocated among the functions based, generally, on the amount of time spent by employees on each function.

Fund-raising

Activities performed by the Foundation to generate funds and/or resources to support its programs and operations.

8. Investments

Investments in marketable securities with determinable fair values are stated at their fair values in the statements of financial position. Unrealized gains and losses and investment income are recorded in the statements of activities and changes in net assets in unrestricted net assets, unless they are permanently or temporarily restricted by the donor.

9. Accrued Pending Dream Costs

The Foundation accrues for the estimated cost of reportable pending dreams when certain measurable dream criteria are met. The reportable pending dream criteria include formal referral of the child to the Foundation, a medical eligibility form signed by the child's physician, formal approval by the Foundation, determination of the dream, and reasonable expectation that the dream will be granted within the following year. As of December 31, 2014 and 2013, the Foundation had three and nine reportable pending dreams, respectively, recorded in the accompanying statements of financial position.

10. Supply Inventories

Supply inventories consist mainly of prints and knives imprinted with the Catch-a-Dream Foundation, Inc., logo provided to donors for contributions to the Foundation. These inventories are recorded at cost.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014 AND 2013

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)*11. Property*

Property is stated at cost or at the estimated fair value at date of donation. The Foundation's policy is to capitalize asset purchases over \$1,000. Depreciation is provided using the straight-line method over the estimated useful lives of the assets as follows:

Building	39 years
Equipment	5 years
Furniture and Vehicle	7 years

Depreciation expense was \$18,232 and \$11,450 for the years ended December 31, 2014 and 2013, respectively.

12. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. The Foundation believes that the estimates and assumptions are reasonable in the circumstances; however, actual results could differ from these estimates.

13. Subsequent Events

Management has evaluated the effect of subsequent events on these financial statements through June 17, 2015, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014 AND 2013

NOTE B - INVESTMENTS

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014 AND 2013

NOTE C - CONCENTRATION OF CREDIT RISK

The Foundation maintains cash balances at a financial institution and a security brokerage firm. Accounts at the financial institution are insured by the FDIC up to \$250,000 and the account at the brokerage firm is insured by the SIPC up to \$2,500,000. At December 31, 2014 and 2013, the Foundation's uninsured cash balances totaled \$180,121 and \$43,990, respectively.

NOTE D - FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

All of the costs associated with fund-raising are determined to be assigned to the fund-raising function, and, therefore, none are allocated to other functional expense categories.

NOTE E - FAIR VALUE MEASUREMENTS

The carrying amounts reported in the statements of financial position for cash and cash equivalents, other current assets, accounts payable, and accrued liabilities approximate fair value because of the immediate or short-term maturities of these financial instruments. Investments are reflected in the accompanying financial statements at fair value.

Generally accepted accounting principles require that the Foundation establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 inputs are quoted prices (unadjusted) available in active markets for identical assets or liabilities that the Foundation has the ability to access at the measurement date.

Level 2 inputs are inputs other than quoted prices in active markets, which are either directly or indirectly observable as of the measurement date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 inputs are unobservable inputs where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability, including assumptions regarding risk.

NOTES TO FINANCIAL STATEMENTS

NOTE E - FAIR VALUE MEASUREMENTS (Continued)

NOTE F - INCOME TAX STATUS

ASC Topic 740, *Income Taxes*, provides guidance on financial statement recognition and measurement of tax positions taken, or expected to be taken, in tax returns. ASC Topic 740 requires an evaluation of tax positions to determine if the tax positions will more likely than not be sustainable upon examination by the appropriate tax authority. The Foundation, at December 31, 2014, had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Foundation's federal tax returns for the year 2012 and subsequent years remain subject to examination by tax authorities.

NOTE G - ACCOUNTS RECEIVABLE

The accounts receivable at December 31, 2014, consists principally of a pledge from an individual donor to give \$100,000 for the year ended 2015 to replenish the funds used for the purchase of the new facilities.

NOTE H - RETIREMENT PLAN

The Catch-A-Dream Foundation sponsors a retirement plan that covers all full-time employees with a minimum of six months employment. Contributions to the plan are based on a dollar-for-dollar match up to 3% of compensation. For the years ended December 31, 2014 and 2013, the amount of retirement expense was \$7,820 and \$14,285, respectively.

NOTE I - RECLASSIFICATIONS

Certain reclassifications have been made to the 2013 financial statements to conform with classifications used in 2014.
