## HOST NOTES:

*Curt was born and raised in Oshkosh Wisconsin as the first born of four siblings. He spent the first 13 years after high school in the business world, until feeling called into the ministry. Curt and his wife were high school sweethearts (and still are), - They have been married for more than 36 years. Curt and his wife were unable to have children of their own, but have had many children fill our lives throughout the years. Curt has served in his present role at the church for over 27 years. During that time Curt developed a love for writing and building log and rustic furniture. In fact, he has a side business building and selling furniture which gives him the chance to express the creative side of his soul. It is likely to be his semi-retirement occupation in a few short years. In his current line of work, Curt has many opportunities to serve, however nothing compares with the joy he feels by being able to join his love for the outdoors with his joy for helping people (especially kids).*
