HOST NOTES:

Jim has lived in Starkville MS, home of the Catch A Dream Headquarters, for 48 years. On August 2, 1986, Jim married Gay Benoist. They have two daughters, Bree Anne and Garland. Bree teaches 4th grade in the Starkville Public School System. Garland is enrolled in the School of Architecture at Mississippi State University.

Jim started work with the Department of Wildlife, Fisheries, and Parks in June 1993 as a County Conservation Officer. Jim was selected as the agency's "Officer of the Year" in 1997 and the Mississippi Wildlife Federations "Officer of the Year" in 1999. He presently works as a Conservation Supervisor in the agency's Law Enforcement Bureau. He supervises conservation officers in a four county area.

When Spring arrives, you'll find Jim hunting turkeys, watching Mississippi State Baseball, or playing golf. During the winter months you'll find him either in the wood shop building turkey calls, taking one of his daughters' deer hunting or deer hunting himself. As one may realize, Jim loves to be outdoors!
