## HOST NOTES:

*Born and raised in the Mississippi Delta, Larkin attended Mississippi State University and received a degree in Business Administration and Economics. More importantly, he met his wife Jenny Ruth while in Starkville. After college, Larkin went on to do my graduate school work at the University of Alabama at Birmingham, where he received a master's degrees in Health Administration and Business Administration. Once his education was complete, he began a career in healthcare management and has been working in that arena since 2003. He currently works for Rush Health Systems as the President of the Hospital Division. Jenny Ruth and he were blessed to have identical twin girls in 2010, Sally Kate and Simmons. They had their third girl, Caroline, in 2016, so he is now extremely outnumbered.*

*They are active members of First Presbyterian Church in Meridian and Larkin serves as a board member at Lamar School, where their oldest girls are first graders.*
