## HOST NOTES:

*Linda moved to Starkville, Ms, in 1969, where she met her husband. The two were married in September of 1970. They have three grown daughters who are married and have produced some of the cutest grandchildren ever! Linda was employed at Mississippi State University for almost 40 years, where she worked at the Student Health Center as their x-ray technologist. Linda loved her job, the staff, the students, the doctors and all the patients she worked with during those years. However, Linda took early retirement in 2010 in order to help her mother, who was gravely ill at the time. She continues to work at Mississippi State on a PRN basis. Linda and her husband, have volunteered with Catch-A-Dream since 2003. She also volunteers for Gentiva*

*Hospice, the Starkville Pregnancy Center, and we both are active in the Starkville Emmaus Community.*
