HOST NOTES:

A native of Bloomfield, IA, Steve married his high school sweetheart, Crystal, in December of 1986, just 7 months after graduating from Ellsworth Community College where Steve studied building and trades. They spent 12 years (1987-1999) in the St. Paul/Minneapolis, MN area before returning to Bloomfield, where they both grew up. They have three children: Madeline, who will be graduating from the University of Northern Iowa in May 2017 with a B.A. in Leisure Youth and Human Services with an emphasis on Nonprofit Management and Youth Development; Benjamin, who is a freshman at Iowa State University where he is majoring in Mechanical Engineering; and Lydia, who is in high school. All three of their children love music and being involved with their churches.

Steve has worked in construction since 1987 and is currently self-employed at Davidson Construction, where he is a general contractor. His wife, Crystal, currently works at Southern Iowa Electric Cooperative in member services. Steve and Crystal are very involved in the church they attend. Steve heads up the Center Shot program that teaches youth going into 4th through 7th grades archery while also teaching them God's word through memorizing bible verses each week during the 8 weeks it is offered in the summer. Steve has participated in several mission trips through his church, traveling to Costa Rica, Honduras and Sun Valley, AZ. Steve would love nothing more than to be able to do missionary work full time.
