

## WTU's Dream Sheds II

**T**his unique partnership between Whitetails Unlimited, Drury Brothers, and Catch-A-Dream Foundation concluded another successful fundraising effort during the past fiscal year. Dream Sheds II, combined with an extremely successful Dream Shed effort during our 2012 fiscal year, made it possible for us to provide Catch-A-Dream Foundation with grants totaling more than \$250,000.

Catch-A-Dream provides once-in-a-lifetime dream hunting and fishing experiences for children in the United States and Canada, age 18 and younger, who suffer from life-threatening illnesses. Whitetails Unlimited describes the partnership as a program that has a positive effect on families dealing with some very traumatic issues.

The foundation works closely with the families and their doctors to make sure all hunting, fishing, or other outdoor activity is appropriate for the participant. Catch-A-Dream makes the most of every dollar they receive, and each trip involves the entire family, at no cost to them.
